### We really need more leaders for our children and youth groups!

Our biggest need is to help with Climbers (school years R,1 & 2) on Sunday mornings and XPC (school years 5 & 6) on Fridays: 5.45-7.15pm. Please speak to a member of staff or email [office@ccwinch.org.uk](mailto:office@ccwinch.org.uk) if you can help.

**Prayer for the week** - *Almighty and everlasting God, you are always more ready to hear than we to pray and to give more than either we desire or deserve: pour down upon us the abundance of your mercy, forgiving us those things of which our conscience is afraid and giving us those good things which we are not worthy to ask but through the merits and mediation of Jesus Christ your Son our Lord, who is alive and reigns with you, in the unity of the Holy Spirit, one God, now and for ever. Amen.*

**Welcome to Christ Church.** If you are new here do please introduce yourself to those around you, to one of the people on Connection Point in the concourse, or to one of our clergy or service leaders. We would love to meet you. Alternatively, you could fill in a welcome card (found at the back of church) and we would be delighted to come and visit you.

Do you ever think what's the point of coming to church? The sun is shining (though not so much the last couple of weeks!), you may not know many people here, you're exhausted after a hard week's work, you haven't had a chance to get any exercise and if you have children, they may be a bit restless. Many of us know we don't have to go to church to be a Christian so we can just pray and read the Bible at home. Maybe we'll even put on our favourite worship CD and we'll have a great time with Jesus.

And yet, as we read through Acts 18 today, we read of Paul and others travelling around Europe and the Middle East, meeting with different people in different places and encouraging the young church. We are meant to be together. We're meant to travel together. An African proverb says: "If you want to go fast, go alone. If you want to go far, go together."

As Christians, we aim to go far. In the movie 'Wonder', one of the quotes is: 'Be kind, for everyone you meet is fighting a hard battle.' Life is often hard and many of us will be in battles right now. If we want to keep going and growing as Christians, we need to go together.

The writer of Hebrews says:

And let us consider how we may spur one another on toward love and good deeds, not giving up meeting together, as some are in the habit of doing, but encouraging one another—and all the more as you see the Day approaching. Hebrews 10 verses 24 & 25

Church isn't just meant to be about me and Jesus. There are things we can do together that we can't do alone. One of those things is encouraging one another. You can't encourage me if you're not with me or I'm not with you. This coming week sees our 14-18 year olds encouraging each other from Monday to Friday at the Download Week Away. Please pray for them to go far. Why not encourage them by sending a note?

The encouragement we provide isn't just: 'Your hair looks great today' which is just as well as I nearly always miss that completely. The encouragement of the early disciples starts with greeting, moves on to preaching, teaching and testifying, strengthening and even debating. It's encouraging each other to go Deeper. Why not see who you can encourage?

And if you know someone who really can't get to church, why not take church to them this week?

- Dave Thornton (Youth, Children & Families' Director)
